

**Week 10 Weekly Sheet**  
Calvin and Hobbes Tutorial – Fall 2016  
November 7 – 11

All week

This is the first week of registration for spring classes. The schedule of advising meetings is available on PWeb in the Documents folder. Come to that meeting having given some thought to your spring classes.

Tuesday, Nov. 8<sup>th</sup>

We continue our reading of Watterson's last year of strips. Today, the middle four months.

**Read:**

- *Calvin and Hobbes* strips from May, 1, 1995 – September 2, 1995
- Identify three strips from the reading that you like a lot and fill out the sheet on the next page.

**Prepare:**

- I'd like us to brainstorm some ideas for how our Calvin and Hobbes exhibition might be organized. Last week we read about, looked at, and then thought through some physical exhibitions, so that's probably a good place to start thinking about ours. Imagine you are curating a physical *Calvin and Hobbes* exhibition, what are some ways you could sensibly organize it? Please jot down a few ideas.

Thursday, Nov. 3<sup>rd</sup>

Class does not meet to free up time for registration advising meetings.

The date of the strip	Describe what you find interesting about it
